## Do you have Medicare?

Some people with Medicare may qualify to save 75% off their Part D/Prescription Drug costs through the "Extra Help" Program.

Montgomery County Veteran Association and the State APPRISE Program are teaming up to make sure you and your loved ones who have Medicare know about a federal program called "Extra Help" with Medicare Part D.

Extra Help can save eligible people an average of \$3,900 a year. This is because people who participate qualify for 1) no monthly premium for Part D coverage and 2) limited co-payments for each prescription filled.

If your countable income is less than \$1,361 per month for a single individual and \$1,839 per month for a married couple, you may qualify. Not all income is counted.

**Please call 610-834-1040 x 59 for free, confidential information and assistance from the Commonwealth's APPRISE Program about Extra Help!**

*Note:* There is no cost for APPRISE's help or for enrollment into the Extra Help program. People who qualify for Extra Help may also qualify for help with their Medicare Part B monthly premium, a savings of over \$1,150 a year.

Please share this with any friends or family members who have Medicare so that they too can take advantage of Extra Help!
