What is the Shared Ride Program?

The Shared Ride Program is a reduced fare transportation program for residents of Montgomery County who are age 65 or older. Rides are provided by local transportation companies. You may request pick-up and drop-off at locations of your choice. Reduced fares are available to riders who are willing to share their trip with other passengers. Persons 65 years of age or older are entitled to receive these trips and pay a significantly discounted fare. **Funds from the Pennsylvania State Lottery pay 85% of the fare through a grant from the Pennsylvania Department of Transportation.** For coverage areas, please see the map below.

What if I am under 65?

There is also a more limited program available for persons 60-64 years of age. You may receive eight one-way local trips per month at a discount. For more information, call 215-542-RIDE (7433).

How do I arrange for my trips?

Call one of the telephone numbers listed on the back of your ID card at least one day or up to 2 weeks in advance. Next day service is available if reservations are made before 3:30 p.m. the prior day. Shared Ride service may be limited to specific days and times.

Please allow plenty of time. The vehicle is allowed to come for you 15 minutes earlier or later than your requested pick up time. As an option, TransNet can call you the day before and/or day of your trip. To opt into this feature, check the appropriate box(es) on the registration form.

How do I pay for my trip?

Remember to bring your rider ID card and a second form of identification with you when you ride. The driver will ask to see it when you get into the vehicle. Payment of the fare is due when you board the vehicle. Exact change is required. Please contact customer service for contactless payment options.

Is passenger assistance available?

Basic service is curb-to-curb. Door-to-door service may be provided if necessary and it is requested in advance.

Special provisions can be made in advance for persons needing a wheelchair or a Personal Care Assistant. Please check off the appropriate box(es) on the attached Registration Form.

Note: If the Personal Care Assistant box is checked, you will be required to travel with your own Personal Care Assistant each time you ride.
