Along with the Partner Excellence Awards, TransNet's management team presented the Five Goals of the 2023-2026 Compelling Strategic Plan to all stakeholders.

*Hire & Retain Quality Employees*

*Build a Cohesive TransNet Brand*

*Retain & Increase Ridership*

*Automate Daily Tasks With Technology*

*Strengthen All Communication Channels*

Updates on the progress of projects in service to these goals will be shared periodically.

TransNet's 2022-2023 Annual Report is a celebration of what's been accomplished and a map to the road ahead. It's now on the website - click [HERE](#) to read.

### SAFETY BLITZ 2024

TransNet and our partners have worked together to create a new and exciting incentive program called the "Safety Blitz". The program's overall goal is to enhance employees' safety awareness, policy compliance and quality of service provided for our clients. Throughout the year employees will have the opportunity to receive prizes for answering the Safety Blitz question on the "Blitz Boards" at our partner locations. If the employees answer the safety question correctly their name is entered into our prize raffle drawing. Through program participation employees will learn and reinforce their safety knowledge while on the job!

## Congratulations Conshohocken Cab!

Residents of Conshohocken have a new local transit solution! The Conshohocken Cab is a continuous loop shuttle with 20 stops around the borough. Service runs from Wednesday through Saturday, 11 am - 11 pm, and Sunday 9 am - 3 pm. Visit <https://www.conshohockenpa.org/living-visiting/conshohocken-cab> for more information.

Shuttle driver Eddie Curbeam (of Easton Coach Company, a TransNet partner), took guests on an inaugural spin following the press event. TransNet Executive Director Susan Kopysteck (left) was among those on hand to congratulate GVF and the Borough of Conshohocken at their February 14th Ribbon Cutting. TransNet works with GVF to support the initiative to reduce single-occupancy vehicle traffic in Montgomery County, and appreciates the efforts of GVF toward this goal.

TransNet is proud to be partnered with Qstraint for their state-of-the-art wheelchair securement systems. Safety and Training Manager Mike Gerhart is facilitating additional learning for our partner drivers through the Qstraint 101 interactive video course. Upon completion, drivers will earn a 2-year certification in Safety & Liability Equipment Operation and the proper securement of occupants and their wheelchairs in TransNet vehicles.
