TransNet Rider Spotlight:

Brian S.

In addition to the Senior Shared Ride Program, TransNet also has a Persons with Disabilities (PwD) program. Long-time rider Brian S. (left in this picture, with his buddy Herb on the right) has used TransNet to commute to his job at a Montco senior center for more than 10 years!

Brian was pleased to share with us about his work at the center,

"I help people there by serving food and talking with them. My favorite part is washing the dishes and helping the Kitchen Coordinator, Danielle. I love having something to do and people to talk to. The people on the bus, especially Jeanette, are a friendly group. When I am not at work I still like to go to the center because I love to play BINGO and win! When I am home I play with my cat Jake, who is gray and 4 years old. "

Connecting people like Brian to work that is so meaningful to him and those around him makes us proud of the work that we do. Thank you, Brian S. and the senior center community for your patronage and support!

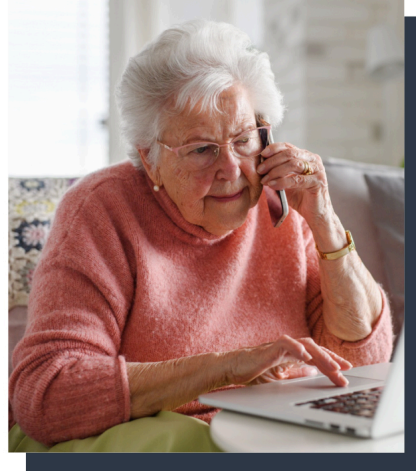

2nd Annual TransNet "Rock Your Socks" Day!

We all enjoyed celebrating the delightful diversity of our human family on World Down Syndrome Day! Click below to learn about the "Rock Your Socks" campaign, and plan to join us next March 21st...

Why do we wear fun socks for this holiday?
